
MODULE 7: A SENSE FOR DETAIL AND STYLE

EXERCISE 1: TEXTURE AND FORM

TEXTURE

Run your hand gently along different surfaces of the building. How do they feel? Rough? Smooth? Cold? Warm? Ribbed? Bumpy? Can you think of any words to describe the qualities of the textures you discover? Write down the names of the materials you have touched and your description of them when you describe the building in the "big picture" regardless of the format chosen.
