MODULE 7: A SENSE FOR DETAIL AND STYLE

EXERCISE 6: DECORATION AND LIGHT

Inside and outside a building.

DECORATIONS

Can you find any decorate features? What is the purpose of decorations?
Can you find any patterns based on repetitions of shapes?

LIGHT

Light levels change.
Some spaces are dark some are light, and some are very bright. Why?
Is natural light or artificial light used?
What kinds of artificial light can you used?
Can you find light that is diffused?
How is directional light used?
What materials can you find that are translucent?
What materials can you find that are transparent?
What is the difference between transparent and translucent?

“Complete the activity by making a sketch / film clip / poem / blog / vlog / song of how you perceive the building!”
